1352.0.55.041 - Research Paper: Quality Measures for Systems of Economic Accounts (Methodology Advisory Committee), Jun 2001

Latest ISSUE Released at 11:30 AM (CANBERRA TIME) 16/07/2001 First Issue

Summary

About this Release

About this Release

This project considers the issues that arise when developing a comprehensive suite of **quality measures for systems of economic accounts (QMSEA)**.

The purposes of QMSEA are to help:

- key users when making informed decisions about the utility of the statistics and when assessing the "intelligence" provided by SEAs;
- producers of SEAs to determine, attain and maintain quality standards.
